8 December 1965

INTELLIGENCE COLLECTION REQUIREMENTS STUDY GROUP

Minutes of Meeting - No. 4 - 8 December 1965

1. The DD/S&T Collection Requirements Study Group met 8 December 1965; Messrs. [] were unable to attend and [] and [] could attend only part time.

2. [] described in considerable detail the OSI submission relating to the CGS, which clarified this area considerably. A particular requirement found in the machine listing of OSI requirements and the listing of feedback to OSI was discussed with the originator of the requirement, [] in order to obtain fuller understanding of the supplementary work required by the analyst, in addition to originating and monitoring the requirement

3. The next meeting is scheduled for 0930 9 December, at which time CGS will discuss their procedures.
